- Ms Rowena R. Hibanada, Director of Community Partnership and Extension Office, Philippine Normal University (Philippines)

Ahead of the workshop, please watch this 30min [presentation on Transformative Education](#) given by [Professor Arjen Wals](#) at the ASPnet Global Meeting

12:50 – 13:00 **Break**

13:00 – 13:30 **Project Guidelines: how to participate in the fun?**

- Ms Sari Muhonen, Lecturer, Viikki Teacher Training School, University of Helsinki (Finland)
- Mr Tomonori Ichinose, Professor, Miyagi University of Education (Japan)

13:30 – 14:15 **Small breakout group discussions**

- **Participants** will discuss in small groups questions they may have on how to participate and anchor the project in their institution and how to best support their student teachers' participation.

Potential discussion questions: Based on what was presented today, what questions for clarification do you have to be able to participate actively in the project? How is GCED-ESD integrated in your curriculum? How do you plan to anchor the project in your institution/courses/semester work? How do you plan to organise yourself for supporting your students to participate? What opportunities and challenges do you foresee and how could you address them? Do you have any special activities related to GCED-ESD in your campus that others can join in preparation for participation in this project?

14:15 – 14:30 **Break** (please submit questions raised during the small groups and directed to the project team via [the jamboard](#))

14:30 – 14:55 **Answers to questions submitted via jamboard by project team**

14:55 – 15:00 **Closing & Next Steps**
